

A stylized, layered landscape illustration. The foreground features rolling green hills in various shades of green, with a dark brown path or streambed winding through them. On the left, there are three distinct plants: a green tree-like shape, a purple flower-like shape, and an orange flower-like shape. Above the orange shape, a small red bird is depicted in flight, leaving a white trail. The background consists of light blue and white wavy bands, suggesting a sky or distant hills.
