

# HOW TO NAVIGATE THIS EXPEDITION (USING THE PYLP UNIT LESSONS)

Each PYLP unit lesson has the following sections:

1) Under the **Lewis and Clark Story**, this section will chronicle a portion of the historical expedition of Lewis and Clark.

2) The introduction to the main **topic** in the unit is after the **Lewis and Clark** section. Review the goals of the topic and read all material presented.

3) Under the **readwritethink** section, read all material presented, reflect and complete the writing exercise on your own.

4) Under the **Watch It!** section,  review one or more videos on the lesson topic on your own.

5) Under the **Let's Talk About It** section, wait until the Zoom group session to discuss these exercises. These exercises will be done as a group.

6) Under the **Imagine It Together** section, wait until the Zoom group session to do these exercises.

7) Under the **Icebreaker** section, wait until the Zoom group session to do this activity. 

8) Under **On Your Own Around Your Community**, do this activity on your own.

9) Under **About the Session Today**, complete the post-lesson reflection on the session.

10) Under **PYLP Checklist**, check off all activities completed.

11) The **Coloring Page** is optional and just for fun.
